(PROPOSAL SIX)

Docket No. RM2017-10

NOTICE OF FILING OF USPS-RM2017-10/NP3
AND APPLICATION FOR NONPUBLIC TREATMENT
(September 13, 2017)

The Postal Service hereby gives notice of filing of the material indicated below as part of the **Non-Public Annex** in this proceeding:

USPS-RM2017-10/NP3	Nonpublic Material Provided in Response to Chairman's Information Request No. 2
--------------------	--

As indicated, this material relates to requests for information posed in Chairman's Information Request No. 2. Included in USPS-RM2017-10/NP3 are commercially sensitive materials regarding competitive products and other materials of a type customarily submitted under seal, and accordingly these are submitted as part of the nonpublic annex in this proceeding. Attached to the Postal Service's ACR, filed December 29, 2016, was the application for non-public treatment of the non-public annex, which is hereby incorporated by reference.

Relating to the request for non-public treatment of this material, however, the Postal Service notes that, in Order Nos. 4042 and 4043 (both issued on August 15, 2017) and Order No. 4089 (September 5, 2017), access was granted (under protective conditions) to the contents of USPS-RM2017-10/NP1 and USPS-RM2017-10/NP2 for specified representatives of both UPS and Amazon. Since USPS-RM2017-10/NP3 updates some of the same materials from USPS-RM2017-10/NP1 and NP2, the Postal Service states that it has no objection to the same individuals obtaining access to

USPS-RM2017-10/NP3 under the same protective conditions, should they choose to request such access.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorney:
